Kindergarten Open Day Held Recently

Kindergarten classes ended Wednesday, May 31 after a very successful year. Interest in Kindergarten has mounted steadily during the past few years and for the first time in Drayton Valley it was found necessary to start a third Kindergarten class. A total of fifty-eight children attended these classes during the past year.

An "Open Day" was held for these children, their parents, and the parents and children who have registered for fall classes. On Wednesday, May 25 from 10:30 to 11:30 a.m. for the morning class, and from 2:30 to 3:30 p.m. for the afternoon classes, many parents and children came to view the students work, watch the classes in action, and see the Kindergarten pupils receive their diplomas. The diplomas certified that the child had attended the Drayton Valley Community Kindergarten and wished them good luck in their future studies.

During the last week of the term, classes were taken on a most interesting field trip to our local Fire Hall. The kindergarten board and teachers, Mrs. Willner and Mrs. Helander would like to thank Fire Chief Mr. Don Greiner and Assistant Fire Chief, Mr. Larry Gano for their time and assistance in making this a most valuable experience for the children.

At present there are seventy five children registered for the fall term and it is hoped that three classes can be set up to accommodate them.

Centennial Quilt Nears Completion

All due to a story from their reader and wanting a Centennial Project the grade three children, room 13, of the Drayton Valley Elementary School undertook the task of making a quilt. Under the capable direction of their teacher, Mrs. Ann Sware, and the help of parents, the quilt is in the last stages of completion and will be on display in a downtown store for all to see. The children, after hearing the story "Kathy's Quilt", decided that is what they would like to make. Each child in

the room embroidered their initials or name on a square which have been placed around the centennial symbol. Friends parents and other rooms have embroidered squares and were charged twenty-five cents which helped to defray costs.

Coffee and cookies were served by the children to parents who came on Friday afternoons to complete the quilt.

The final outcome of the quilt is not yet known but whatever is decided Mrs. Sware and her class will be remembered by their centennial project.

A.A.R.N. Plans Supper Meeting June 14th

The regular monthly meeting of the Drayton Valley Chapter #33, Alberta Association of Registered Nurses, was held May 10, 1967 in the Nurses' Residence.

Since it has been a considerable time since many aspects of old and new business were discussed it was decided to have a business meeting. Among business discussed was the recommendation that dissatisfaction with the grant system and book keeping practices be presented to the Provincial Council.

Consideration was also given to amending our present by-laws so that the date of the local Chapter's elections will co-incide with the election of the North Central District Executive Committee.

Plans for the June meeting have been made. A supper will be held at 7 p.m., June 14th in the Cardium Room of Drayton Valley Hotel. An always lively program will follow. The report of the annual general meeting held in May at the Chateau Lacombe will be presented.

Veterans' Week

There are approximately 975,000 veterans of Canada's wars living today--and most of them will be kept mighty busy from Sunday, June 11 to Saturday, June 17.

By royal proclamation this period has been declared Veterans Week--and a busy program of events to celebrate the occasion has been arranged across Canada.

It is fitting that during Centennial year we should honor the men and women who, by their sacrifices in times of war, and their good citizenship in times of peace, have played a major part in building the Canada we know today.

Veterans have been asked to wear their discharge button during the Week and this, in itself, will lead to much frantic activity as many may have trouble finding "the badge of honor" which they have not worn for more than 20 years.

As we pay tribute to the veterans who live, there will be a special thought for those who died--more than 112,000 who made the greatest sacrifice of all and are buried in 70 countries around the world.

Give Trees a Chance

The Town of Drayton Valley recently purchased \$600 worth of trees but unfortunately they will not go toward continuing the program of planting boulevards--but will be used instead to replace those that were destroyed by thoughtless people. Some possibly died from natural causes but the majority were damaged in some way.

They're your trees, your taxes bought them even though they are planted on the boulevard--so it's time we all started taking a proprietary interest in them.

Property owners who are fortunate in having trees on the boulevards adjoining their lots are urged to accept the responsibility of protecting them as much as possible. Judging from the way some of them have been treated in the past, the trees need all the protection they can get--from everyone.

In later years the boulevard trees will enhance the residential areas and add a great deal to the overall beauty of the community. For the good of the whole town all of us should be doing whatever we can to see that the trees are allowed to grow.

LEAVE YOUNG ANIMALS ALONE

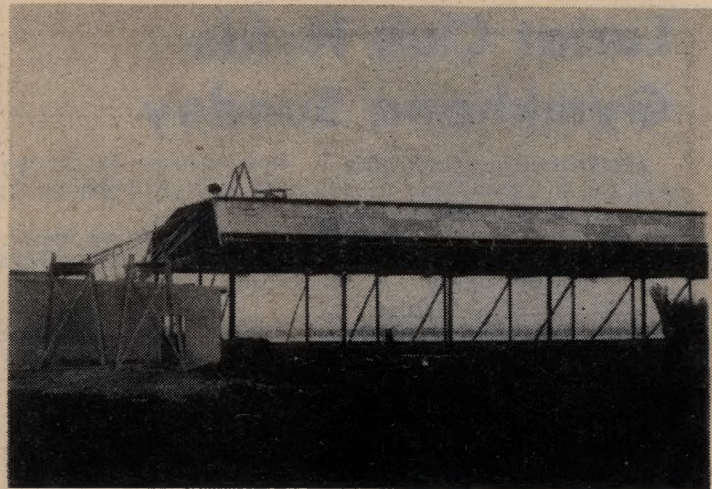

The Fish and Wildlife Division of the Alberta Department of Lands and Forests is requesting residents of the province to refrain from picking up and taking home wild animals and birds.

Young birds and animals will soon be appearing throughout the province and Albertans are often tempted to make pets out of the more helpless specimens.

Misplaced affections often cause serious harm and, in many cases, death.

Staff of the Fish and Wildlife Division are required by law to prevent people from handling or capturing young wild animals.

Letters to the Editor

June 1, 1967

Editor,
The Western Review.

Dear Sir:

May I take this opportunity to thank you for the excellent coverage you gave our "mile of names for Mental Health" campaign. I wish to also thank all who signed and all who helped to obtain the names. I was able to turn in over 250 names to CMHA in Edmonton, from a brief 8 hour campaign. If anyone missed the chances to sign they may send their in to the Canadian Mental Health Assoc., 619 Revillon Building, Edmonton.

The date of presentation of this petition to the Government is on or about June 10th. After that date you may write to Mr. Ralph Jespersen, M.L.A., Stony Plain, Alberta and make your wishes known to him.

There has been a tremendous response to this petition in both Edmonton and Calgary and other districts. It is now catching on all across Canada.

We must surely all realize this is only a bare beginning. At the moment, money for research into this most crippling disease, mental illness, is very very scarce. Less than 5¢ per person is being spent by Government in research and not any more is available from voluntary organizations.

How can we possibly attract doctors and personnel into this field when it all looks so hopeless? If only 50¢ per person were available it would add up to \$10,000,000; hardly a large sum when we consider we already spend three times as much on research into agriculture to ensure Canadians have the best food.

Last year Canadians wasted \$30 per person without any concern because of lost work time, lost productive capacity, lost managerial experience, lost salaries and wages, and in heavy medical and sickness costs, because of mental illness.

Please forward any contributions you may wish to make to CMHA (and this is NOT Central Mortgage and Housing Association) at the above address. "In Memoriam" donations will need the consent of the sender in order for CMHA to make its receipt known to the bereaved. Please do not leave CMHA out of your will. A \$1.00 a year membership to CMHA brings a very informative newsletter about 3 or 4 times a year called "View-points".

Again I wish to thank you all. It makes our job much easier to have such a wonderful response.

Sincerely,
Mrs. Marion Palmer,
Chairman, CMHA,
Drayton Valley Committee.

Centennial Theme for Tomahawk Picnic

The Tomahawk and District Board meeting have decided to go centennial on their July 1st picnic this year.

There will be ball games, hard ball and soft ball, for old and young. A big parade will be the highlight of the day. All organizations and other communities are invited to enter floats.

There will also be a horse shoe tournament, bingo with good prizes, races of every description.

Everyone is invited and encouraged to wear old-fashioned styles for the day. There will be something of interest for everyone.

The Tomahawk District club the curling club, library and F.W.U.A. are very proud of the good supply of dishes they have equipped the hall kitchen with.

The club would like to thank all who were interested enough and had time to make the paint job in the hall a success. It certainly made a big improvement.

Our next bingo will be on June 23rd with good cash prizes as well as merchandise for prizes.

U.C.W. Meeting

Drayton Valley United Church Women will hold their final meeting of the season Friday, June 9th at Rundle Mission. Cars will be leaving at 11 a.m. with plans to return by 4 p.m.

Bring your lunch and enjoy a day of companionship in the wonderful outdoors. For more information call Carol Hoyland at 542-3291.

BY MRS EDITH DEBY

Friends of Miss Lorena Lilje are invited to a bridal shower in her honour by Mrs. Nick Urchysyn on Saturday, June 10th at 8 p.m. Miss Lilje will become the bride of Mr. Robert Horvath in a United Church ceremony on June 17.

Mrs. Michael Burke has sold her house in Whitecourt and has moved into an apartment in Jasper House, Edmonton.

June 9th is Farmer's Day. The Drayton Valley local will celebrate with a picnic at the Pembina River and a supper at night in the Elk's Community Hall. There will be no booth at the river. Lunch will be a pot luck affair with each family bringing its own cutlery and dishes. Supper will be served by the Elks and to it one brings oneself-between the hours of six and eight. Tickets may be obtained from Farm Union members and the public is welcome. Note: Mrs. Robinson has posted signs to help members reach the river picnic site.

Mr. Walter Krause will enter the Royal Alexandra Hospital as soon as a bed is available for surgery on his knee.

Mrs. Jensen, an old timer of the Rocky Rapids district, was pleasantly surprised last Sunday when a number of her Drayton Valley friends appeared at her home carrying a lovely birthday cake. Mrs. Jensen was eighty two on that day.

Miss Josephine Stewart is back in Drayton Valley in her former position with Mr. and Mrs. Van Dorp. We understand that Miss Stewart has a fiance in Saskatchewan so her stay here will not be a permanent one.

Mr. Gordon Kynoch was in the local hospital for a few days. Hope you are feeling better, Mr. Kynoch.

Mr. and Mrs. Jim Kennedy are away to California for a three-week holiday.

Reverend and Mrs. Ingram had as their guests last week Reverend and Mrs. Kenah Exham from Old Crow. The Exhams had two young Indian girls with them--pupils of Mrs. Exham. The party had been travelling for a month. They

stayed with relatives in Ottawa for a time and visited Expo before coming west to see friends before returning to Old Crow.

Mrs. Ted Mastre is in hospital in Dawson Creek. Hope you are well soon, Patsy.

Congratulations to Mr. and Mrs. Alfred Madsen on the arrival of a fine granddaughter--a daughter for Ken and Lillian. The little newcomer has been given the name of Sharalee Gayle.

Centennial Planning at Top Speed

The Evansburg and District Centennial Committee is working at top speed on their July 1st Centennial Celebrations surrounding the visit of the Caravan in their village that day.

So far, they have planned a Square Dance Jamboree and a huge Centennial Ball for Friday night at which a queen will be crowned by the Evansburg High School Students' Union. Saturday will begin with a mammoth parade followed by the official opening of the Caravan with introductions of dignitaries and music by the Stony Plain Men's Centennial Chorus.

In the afternoon, a stage show is planned for the Caravan stage with band numbers, the Stony Plain Chorus, a talent competition, the Kinette Ethnic group presentation, and presentation of certificates to senior citizens. A novelty track meet and a gymkhana will run simultaneously that afternoon.

The evening will be filled with a 'teen hop at the school auditorium and a Centennial Ball social evening at the Legion Hall where awards for the day's events will be presented. Sunday will bring the celebrations to an end with a huge Golf Tournament beginning at 9 a.m. "See you all there".

The first white man to visit Alberta was Anthony Henday who came within sight of the Rocky Mountains in 1754.

Cub Rally Held Sunday

The Pembina district cub rally was held on June 3rd at Evansburg. Participating in the events were a total of 261 cubs from Drayton Valley, Evansburg, Whitecourt, Alder Flats, Lodgepole, Cynthia, Wildwood, and Mayerthorpe.

Despite cool cloudy weather it was gratifying to see the number of parents turn out. Thankyou to all the drivers that offered rides for the cubs.

All those present were able to witness great team work and group spirit of the cubs. The leaders are to be commended on the work and time they have spent with the boys.

First place went to Whitecourt Pack B, 2nd place to Drayton Valley Pack C and 3rd place to Evansburg. Congratulations to you all.

The mothers prepared hot dogs and drinks throughout the day for the hungry and well-deserving group. A big thank you to the following that made the day a very successful event--the mothers that helped in the kitchens, the scouts, the drivers and the judges.

GOLF CLUB NOTES

Fine weather during the past week saw a good turnout of golfers, both members and non-members, enjoying the local course.

Golf lessons have been going ahead on schedule for both men and women. The club thanks Al Walton for all his work in this regard. The club executive points out that to qualify for free lessons the golfer must be a member of the club. Also everyone must sign the register book before golfing, members and non-members alike.

The executive thanks all those who turned up for the work party on Friday. A lot of work was accomplished. Another work party will be held soon--same rate of pay.

A suggestion has been made for a women's and junior open golf tournament, possibly on June 25th. An invitation will be extended to golfers from the surrounding district. Anyone interested please contact Tom Henderson.

Club house facilities are available to members. Keys may be obtained from Stan Metelski.

Railway building is still going on in Alberta, to help develop mineral riches. The recently-completed Great Slave Lake railway runs into the Northwest Territories, and the Alberta Resources Railway is being built in the western foothills.

Air Cadet Inspection

Annual inspection of the Drayton Valley Air Cadets will be held at 7:30 p.m. on Thurs-

day, June 8th in the Centennial Civic Centre.

The public is invited to attend and see the cadets in the inspection parade and march past. Guest speakers will be present.

Town Visitors

Mr. and Mrs. Walter Durham have as their guests Mr. and Mrs. John Gowda, nee Sandra Pratt, and their young son and daughter of Venezuela who are visiting friends and relatives.

Mr. Gowda who has been working in South America for Otis Pressure Control is presently on a two month vacation.

Before arriving at Drayton they spent a few days at Miami and Expo and will visit Mr. Gowda's mother in Saskatoon during their vacation.

Mrs. Wilma Steeves (seated), Queen of the greatest weight loss in Alberta is shown above during the crowning ceremony at the recent Calgary convention.

Mrs. Wilma Steeves Queen Of Alberta TOPS Members

On the third of February, 1966 four women met to discuss a problem common to all of them--overweight. Since that night the same four women plus another sixteen meet every Wednesday in the civil defense room. They are the local chapter of the T.O.P.S. (Take Off Pounds Sensibly) and they are known as Valley TOPS.

The 13th of May was the date of the Provincial convention of TOPS and being the first one of its kind it was called Alberta's 1st Annual Recognition Day and the club is happy to report that Mrs. Wilma

Steeves won the crown making her Queen for the greatest weight loss for all Alberta for the past year. This is a magnificent achievement. We her sister TOPS are very proud of her and a little ashamed of ourselves for not having her wonderful will power.

The nine ladies of Valley TOPS who attended the convention reported a very enjoyable time and learned much in the workshops provided. The aforementioned workshops consisted of: 1. Dangers of Fad Diets and Compulsive Eating; 2. Nutrition and Dieting; 3. Grooming and Exercise; 4. What Constitutes a good club.

The above program was followed by a low-calorie luncheon, then the presentation ceremonies with Mrs. Esther Manz' the founder and president of TOPS making the presentations. The day closed with a banquet.

Valley TOPS have only been in being for a little over one year but it has been a tremendous help to the twenty women who belong. Mrs. Steeves is a wonderful inspiration to all of us and we wish her continued success.

Anyone wishing to lose 20 pounds is welcome to join our group. Just call 542-3073 or 542-4349.

Hangman Stops Jones

The terrible Hangman proved to have too much power and aggressiveness for Harvey "Buck" Jones in their Western Canadian Heavyweight Championship match at the Centennial Civic Centre last Saturday night. The massive "Mystery Man" found the rules of a Texas Death Match much to his liking as he hammered the lighter Jones from pillar to post to take the championship after twenty-eight minutes of rough and ready wrestling.

In the semi-final, Ray Osborne 234 of Edmonton pinned Peter Flannagan 226 of Toronto in 14 minutes.

The Ladies Events saw Terry Lachance take two falls to one from the Wolf Girl and Betty Byers pin Marie Betcher in a one fall match.

The card opened up with three boxing bouts, all of the no-decision variety and all featuring boys from the Drayton Valley Boxing. Lenny Lachance took on Ray Duperron, Bert Duperron apposed Allen Duperron and John Teeter went against Dale Johnson. All bouts were over the three, two minute round route. All the boys put on a very creditable showing for the 286 fans in attendance.

Four hundred members of Canada's armed forces will begin evaluating a distinctive Canadian uniform early this summer. The trial uniform, dark green in color, is the same for officers and men except for rank insignia. A peaked cap will be worn by all ranks and officers caps will have gold trim on the peak. The cap badge will reflect the service, regiment or corps. This trio of military personnel represents a sergeant in the air force, a captain in the Army and a leading seaman in the Navy. The basic uniform is made from a crease resistant polyester fibre cotton shirt, dark green tie, cap and black shoes and socks. Visitors to Expo will be among the first to see the trial uniform. The one hundred man Guard of Honor and Flag Party on duty there will be the largest single body of men to test the uniform, they will be issued with the uniform within the next month. The uniform is designed for day-to-day wear and will not replace combat or environmental clothing.

Food Outlook For June

OTTAWA--There are ample supplies of meats, eggs, potatoes, apples and carrots but reduced spring production of turkeys is expected to lead to an increase in price in June.

The food forecast prepared by CDA economists follows:
Broiler Chicken: Larger supplies will be available for the seasonal increase in demand at continuing low prices.

Broiler Turkey: As a result of reduced spring production, prices are expected to strengthen further.

then further.

Eggs: Plentiful supplies are available and no early rise in price is expected.

Pork: Marketings of pork are expected to continue above those of last year, but at a reduced rate which may lead to stronger prices.

Beef: Supplies of high quality beef continue at levels above last year's and lower quality supplies remain light. Beef prices are expected to remain firm.

The fastest way to drive people away from you is to drench yourself in self-pity.

Evansburg Centennial Committee Meets

A meeting of the Evansburg and District Centennial Committee was held in the Evansview School on May 31st and preparations for centennial events in the community reviewed.

Mr. Grassi, reporting on the building project, stated that roofing material came and as volunteer labor was not forthcoming, men were hired to do the work. About 2/3 of the roof is now done. Letters have been sent regarding wall sections but no replies have been received to date. However, two or three businesses around Evansburg have purchased sections.

Reporting for the Parade Committee, Mr. Carl Bjornstad said that the Department of Highways has agreed to do something about the dust problem on the roads.

Mr. Schroder stated that the Firemen's Auction was to take place on Saturday, June 3, on the lot beside McLeods Store.

Mrs. Fausak said that more invitation letters are now available for sending to old-timers. The history is well underway, also.

Mrs. Town, reporting for the Talent Show Committee stated that letters have been sent to all communities asking that they submit their best talent to the competition. A trophy will be given to the community with the best talent.

The committee is approaching an adjudicator from Edmonton to judge the competition. The trophy will be awarded at the evening dance. The talent show will be held from 2:00 to 4:00 on the Caravan stage.

Mr. Corkery reported that advertising and publicity must still be carried out for the July 1st celebration. The Centennial Commission in Edmonton has no posters available for us. Therefore, we must make our own. One of their officers will come prior to July 1st to check with us about our plans and see that they are in order. We also require accommodation for that night, if anyone has any

available.

Mr. Panek reported that the final shipment of flags has not come in yet. However, flag brackets are being installed around town in preparation for decorating.

It was moved and carried that the Secretary make circulars to send to all householders asking that they beautify their grounds and decorate their homes for the July 1st Celebrations.

Moved by Mrs. Tebutt that the meeting adjourn at 9 p.m. The next meeting is to be June 14th at the Evansview School at 8 p.m.
